### Our meetings...

Consist of brief business, educational component with guest speakers & opportunities for networking. As a collaborative team, we work toward

identifying needs in our county, host educational programs for the community with a focus on advance care planning, palliative care, end-of-life care and bereavement.

We also have an active speakers bureau who are available to present at local events or organizations on a wide range of topics. See our website for details.

No commitment needed, feel free to join us for a meeting to see what we are about!

We would love to meet you!
